Description

The Department of Graduate Medical Education (GME) at Oklahoma State University Center for Health Sciences (OSU-CHS) is seeking professional services to design, develop, and implement a foundational resident data management system that will serve as a centralized platform for managing resident information currently maintained across multiple spreadsheets and ancillary systems. We estimate that 80-100 users would need access to the system.

Questions are due electronically no later than Monday, 21Sept2026, 3:00pm CST via Q/A board. Questions must be submitted individually.

Bids are due electronically no later than Monday, 28Sept2026, 3:00pm CST.

All documents related to this RFQ (specifications, etc.) are located in the "Buyer Attachments" section of this online solicitation.

Required to View Event

Required to Enter Bid
